Who Let the Dawgs Out?

We at Net Radio Dogs Road Show have done what we do best, and that is to create a Bluegrass/Americana radio show.

### **The Cyrus Chemistry**

“We saw each other, and the chemistry was undeniable. We were introduced and after a while realized we were meant to be together.”

Rocky Mountain Bluegrass

“I teach all instruments by ear, which is how I learned. That’s the beauty of bluegrass. It’s learned by watching and playing.”

### **Boulevard Music**

“We had the longest-running open mic variety night in the L.A. area,” he said. He said the main room of the shop converts into a concert hall.

### **Deejay Buddy Michaels**

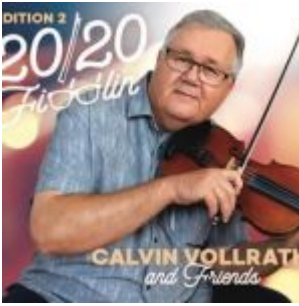

When I was about 10 years old, I listened to my small radio, and I’d take it to bed with me. I’d listen to the big AM stations like WSM.

### **Together it happens for us**

Whatever project they might be producing, or delicious meal they might be cooking, Rick and Donna find joy in doing it all together.

## Warm Fiddlin'

He's got a wealth of experience behind him and passing this knowledge to others is a natural passion.

### **Part of Something ...Bigger**

We want to spread the gospel and be a light to others. We had seen this happen and wanted to be a part of that."

### **Fan Photos**

Bluegrass fans are the best. That's why we celebrate them every month!
